

NOTICE OF PROPOSED ACQUISITION AND RATE BASE ADDITION

Docket No. A-2016-2580061

Dear Customer:

On June 29, 2017, the Pennsylvania Public Utility Commission (PUC) approved the application of Aqua Pennsylvania Wastewater, Inc. (Aqua) to acquire the wastewater system assets of New Garden Township and New Garden Township Sewer Authority (New Garden). New Garden serves approximately 2,300 customers in Chester County, Pennsylvania. The PUC approved an addition of up to \$29.5 million to Aqua's rate base pursuant to 66 Pa. C.S. § 1329, which represents the cost to acquire the New Garden assets. The PUC approval was appealed to the Commonwealth Court, which remanded the decision back to the PUC. Administrative Law Judge Steven K. Haas is presiding over the remand proceeding.

A settlement of the remand proceeding has been reached between Aqua and the Office of Consumer Advocate. On February 21, 2020 Aqua filed the proposed Settlement with the PUC and served a copy of the proposed Settlement on Judge Haas. You can find the settlement on Aqua's website at the following web address:

<https://www.aquaamerica.com/our-states/pennsylvania/new-garden.aspx>

If you would like a paper copy, please contact Aqua's counsel Thomas Niesen at 717.255.7600 and one will be provided to you.

This brief summary of some of the points of the Settlement is provided for your convenience. However, we encourage you to please review the Settlement in its entirety. The Settlement, if approved, would do the following:

- Allow Aqua to acquire the New Garden sewer assets and begin to provide sewer service in areas supplied by New Garden.
- Allow Aqua to add \$29.5 million to its rate base pursuant to 66 Pa. C.S. § 1329. A utility's rate base is the value of property used by the utility to provide service to its customers and is one of several components used to establish a utility's customer rates.
- Remove the provisions regarding the compound annual growth rate and rate freeze from the Asset Purchase Agreement.
- Implement New Garden's existing sewer rate ordinance for New Garden wastewater customers, which includes the increase in 2019 and provides for the New Garden approved rate increase in 2020, after which time rates would not change until the conclusion of Aqua's next base rate case following closing.
- Propose a rate zone for New Garden wastewater customers, in Aqua's first base rate case following closing, that would increase rates to an amount equal to Aqua's Zone 1 wastewater rates, unless the increase would be more than twice the system average increase for all Aqua's wastewater divisions. In that case, the increase would be capped at twice the system average increase, unless otherwise ordered by the PUC.

The table below presents a non-binding, estimated incremental rate effect of the proposed rate base addition on Aqua's customers:

Aqua Wastewater Customers

Rate Class	Average Usage	Estimated Monthly Increase	Estimated Percentage Increase
Residential	3,020 gal/month	\$2.12	3.10%
Commercial	21,940 gal/month	\$6.66	3.10%
Industrial	3,200 gal/month	\$1.72	3.10%

Aqua Water Customers

Rate Class	Average Usage	Estimated Monthly Increase	Estimated Percentage Increase
Residential	4,080 gal/month	\$0.16	0.25%
Commercial	37,050 gal/month	\$1.02	0.25%
Industrial	211,510 gal/month	\$4.80	0.25%

The amounts stated above could change and will depend on how the PUC chooses to apportion any increase among the types of service, rate zones, and classes of customers.

PUC ROLE

The state agency that approves acquisitions and rates for regulated public utilities is the PUC. It will review the proposed settlement related to acquisition of the New Garden wastewater assets. After examining the evidence, the PUC may approve, modify or deny the settlement. As part of its review, the PUC will hold a hearing if a hearing is requested.

ACTIONS YOU CAN TAKE

1. File written comments to the PUC. You can tell the PUC why you support or object to the transaction or the settlement. This information can be helpful when the PUC investigates the application and settlement. You can ask the PUC to schedule a hearing and take part in any hearings about the proposed acquisition and will receive all notices and decisions issued by the Commission. Your comments must be postmarked no later than April 8, 2020.
2. You may choose to do nothing.

If you choose to file comments:

NOTICE OF PROPOSED ACQUISITION AND RATE BASE ADDITION

Docket No. A-2019-3008491

Dear Customer:

On March 26, 2019, the Pennsylvania Public Utility Commission (PUC) conditionally accepted for filing the application of Aqua Pennsylvania Wastewater, Inc. (Aqua) for approval to acquire the Cheltenham Township (Cheltenham) wastewater system assets. Cheltenham serves approximately 10,200 customers in Montgomery County, Pennsylvania. Aqua's application also requests that the PUC authorize an addition of up to \$50.25 million to Aqua's rate base pursuant to 66 Pa. C.S. § 1329. A utility's rate base is the value of property used by the utility to provide service to its customers and is one of several components used to establish a utility's customer rates.

This acquisition will not immediately, but may in the future, affect water and/or wastewater bills of Aqua customers, including the new Cheltenham Township wastewater customers. Aqua is not requesting a rate increase as part of the acquisition. Your rates will not change until the conclusion of Aqua's next rate case where Aqua requests and receives PUC approval to increase its rates. Currently, it is not known when Aqua will file its next rate case. At that time, based on a preliminary analysis of the potential rate impacts, Aqua estimates that the rates of the average customer could increase. The amount of the increase will be determined in Aqua's next base rate case and will be dependent on how the Commission chooses to apportion the increase among Aqua's acquired and existing customers. The tables below present non-binding, estimated incremental rate effects of the proposed rate base addition on Aqua's existing water and wastewater customers:

Aqua Wastewater Customers

Rate Class	Average Usage	Estimated Monthly Increase	Estimated Percentage Increase
Residential	3,020 gal/month	\$3.98	5.83%
Commercial	21,940 gal/month	\$12.52	5.83%
Industrial	3,200 gal/month	\$3.23	5.83%

Aqua Water Customers

Rate Class	Average Usage	Estimated Monthly Increase	Estimated Percentage Increase
Residential	4,080 gal/month	\$0.38	0.58%
Commercial	37,050 gal/month	\$2.37	0.58%
Industrial	211,510 gal/month	\$11.17	0.58%

The amounts stated above could change and will depend on how the PUC chooses to apportion any increase among the types of service, rate zones, and classes of customers.

PUC ROLE

The state agency which approves acquisitions and rates for regulated public utilities is the PUC. The PUC will review and investigate the proposed acquisition and requested \$50.25 million in additional rate base. After examining the evidence, the PUC may approve, modify or deny the acquisition and may approve or modify the \$50.25 million addition to rate base. The PUC will issue a decision on the application on or around October 24, 2019.

ACTIONS YOU CAN TAKE

You can support or challenge Aqua's request by:

- 1) Sending a letter to the PUC. You can tell the PUC why you support or object to Aqua's acquisition of Cheltenham's wastewater system in your letter. This information can be helpful when the PUC investigates the application. Send your letter to the Pennsylvania Public Utility Commission, Post Office Box 3265, Harrisburg, PA 17105-3265.
- 2) Filing a protest or a petition to intervene. If you want to be a party to the case, you must file a protest or a petition to intervene. You then have an opportunity to take part in all the hearings about the proposed acquisition. You can receive copies of all materials distributed by the other parties. Protests and petitions to intervene must be filed in accordance with 52 Pa. Code (relating to public utilities) on or before June 3, 2019. Filings must be made with the Secretary of the Pennsylvania Public Utility Commission at P.O. Box 3265, Harrisburg, PA 17105-3265, with a copy served on Aqua's counsel at Thomas, Niesen & Thomas, LLC, Attn: Thomas T. Niesen, 212 Locust Street, Suite 302, Harrisburg, PA 17101.

The documents filed in support of the application are available for inspection and copying at the Office of the Secretary of the PUC between 8 a.m. and 4:30 p.m., Monday through Friday, on the PUC's website at www.puc.pa.gov and at Aqua's offices at 762 West Lancaster Avenue, Bryn Mawr, PA 19010. The PUC docket number is A-2019-3008491.

NOTICE OF PROPOSED ACQUISITION AND RATE BASE ADDITION

Docket No. A-2019-3009052

Dear Customer:

On October 23, 2019, the Pennsylvania Public Utility Commission (PUC) conditionally accepted for filing the application of Aqua Pennsylvania Wastewater, Inc. (Aqua) for approval to acquire the East Norriton Township (East Norriton) wastewater system assets. East Norriton serves approximately 4,900 customers in Montgomery County, Pennsylvania. Aqua's application also requests that the PUC authorize an addition of up to \$21 million to Aqua's rate base pursuant to 66 Pa. C.S. § 1329. A utility's rate base is the value of property used by the utility to provide service to its customers and is one of several components used to establish a utility's customer rates.

This acquisition will not immediately, but may in the future, affect water and/or wastewater bills of Aqua customers, including the new East Norriton Township wastewater customers. Aqua is not requesting a rate increase as part of the acquisition. Your rates will not change until the conclusion of Aqua's next rate case where Aqua requests and receives PUC approval to increase its rates. Currently, it is not known when Aqua will file its next rate case. At that time, based on a preliminary analysis of the potential rate impacts, Aqua estimates that the rates of the average customer could increase. The amount of the increase will be determined in Aqua's next base rate case and will be dependent on how the PUC chooses to apportion the increase among Aqua's acquired and existing customers. The tables below present non-binding, estimated incremental rate effects of the proposed rate base addition on Aqua's existing water and wastewater customers:

Aqua Wastewater Customers

Rate Class	Average Usage	Estimated Monthly Increase	Estimated Percentage Increase
Residential	3,020 gal/month	\$1.66	2.43%
Commercial	21,940 gal/month	\$5.22	2.43%
Industrial	3,200 gal/month	\$1.34	2.43%

Aqua Water Customers

Rate Class	Average Usage	Estimated Monthly Increase	Estimated Percentage Increase
Residential	4,080 gal/month	\$0.17	0.26%
Commercial	37,050 gal/month	\$1.05	0.26%
Industrial	211,510 gal/month	\$4.95	0.26%

The amounts stated above could change and will depend on how the PUC chooses to apportion any increase among the types of service, rate zones, and classes of customers.

PUC ROLE

The state agency which approves acquisitions and rates for regulated public utilities is the PUC. The PUC will review and investigate the proposed acquisition and requested \$21 million in additional rate base. After examining the evidence, the PUC may approve, modify or deny the acquisition and may approve or modify the \$21 million addition to rate base. The PUC will issue a decision on the application on or around May 21, 2020.

ACTIONS YOU CAN TAKE

You can support or challenge Aqua's request by:

- 1) Sending a letter to the PUC. You can tell the PUC why you support or object to Aqua's acquisition of East Norriton's wastewater system in your letter. This information can be helpful when the PUC investigates the application. Send your letter to the Pennsylvania Public Utility Commission, Post Office Box 3265, Harrisburg, PA 17105-3265.
- 2) Filing a protest or a petition to intervene. If you want to be a party to the case, you must file a protest or a petition to intervene. You then have an opportunity to take part in all the hearings about the proposed acquisition. You can receive copies of all materials distributed by the other parties. Protests and petitions to intervene must be filed in accordance with 52 Pa. Code (relating to public utilities) on or before January 6, 2020. Filings must be made with the Secretary of the Pennsylvania Public Utility Commission at P.O. Box 3265, Harrisburg, PA 17105-3265, with a copy served on Aqua's counsel at Thomas, Niesen & Thomas, LLC, Attn: Thomas T. Niesen, 212 Locust Street, Suite 302, Harrisburg, PA 17101.

The documents filed as part of this application are available for inspection and copying at the Office of the Secretary of the PUC between 8 a.m. and 4:30 p.m., Monday through Friday, on the PUC's website at www.puc.pa.gov and at Aqua's offices at 762 West Lancaster Avenue, Bryn Mawr, PA 19010. The PUC docket number is A-2019-3009052.

NOTICE OF PROPOSED ACQUISITION AND RATE BASE ADDITION

Docket No. A-2021-3024267

Dear Customer:

On June 25, 2021, the Pennsylvania Public Utility Commission (PUC) conditionally accepted for filing the application of Aqua Pennsylvania Wastewater, Inc. (Aqua) for approval to acquire the Lower Makefield Township (Lower Makefield) wastewater system assets. Lower Makefield serves approximately 11,000 customers in Bucks County, Pennsylvania. Aqua's application also requests that the PUC authorize an addition of up to \$53 million to Aqua's rate base pursuant to 66 Pa. C.S. § 1329. A utility's rate base is the value of property used by the utility to provide service to its customers and is one of several components used to establish a utility's customer rates.

This acquisition will not immediately, but may in the future, affect water and/or wastewater bills of Aqua customers, including the new Lower Makefield Township wastewater customers. **Aqua is not requesting a rate increase as part of the acquisition.** Your rates will not change as a result of this transaction until the conclusion of an Aqua rate case where Aqua includes the Lower Makefield system and requests and receives PUC approval to increase its rates. At that time, based on a preliminary analysis of the potential rate impacts, Aqua estimates that the rates of the average customer could increase. The amount of the increase will be dependent on how the PUC chooses to apportion the increase among Aqua's acquired and existing customers. The tables below present non-binding, estimated incremental rate effects of the proposed rate base addition on Aqua's existing water and wastewater customers:

Aqua Wastewater Customers

Rate Class	Average Usage	Estimated Monthly Increase	Estimated Percentage Increase
Residential	3,020 gal/month	\$2.61	3.82%
Commercial	21,940 gal/month	\$8.20	3.82%
Industrial	3,200 gal/month	\$2.11	3.82%

Aqua Water Customers

Rate Class	Average Usage	Estimated Monthly Increase	Estimated Percentage Increase
Residential	4,080 gal/month	\$0.48	0.74%
Commercial	37,050 gal/month	\$3.02	0.74%
Industrial	211,510 gal/month	\$14.24	0.74%

The amounts stated above could change and will depend on how the PUC chooses to apportion any increase among the types of service, rate zones, and classes of customers.

PUC ROLE

The state agency which approves acquisitions and rates for regulated public utilities is the PUC. The PUC will review and investigate the proposed acquisition and requested \$53 million in additional rate base. After examining the evidence, the PUC may approve, modify or deny the acquisition and may approve or modify the \$53 million addition to rate base. The PUC will issue a decision on the application on or around February 3, 2022.

ACTIONS YOU CAN TAKE

You can support or challenge Aqua's request by:

- 1) Sending a letter to the PUC. You can tell the PUC why you support or object to Aqua's acquisition of Lower Makefield's wastewater system in your letter. This information can be helpful when the PUC investigates the application. Send your letter to the Pennsylvania Public Utility Commission, Post Office Box 3265, Harrisburg, PA 17105-3265.
- 2) Attending or presenting testimony at a PUC Public Input Hearing. You can attend or be a witness at a PUC public input hearing. The PUC holds public input hearings if it opens an investigation into Aqua's transaction and there is enough interest in the case. At these hearings, you can present your views in person to the PUC judge and to company representatives. Testimony under oath becomes part of the application case record. The PUC holds these hearings in the service area of the company. For more information, call the PUC at 1.800.692.7380.
- 3) Filing a protest or a petition to intervene. If you want to be a party to the case, you must file a protest or a petition to intervene. You then have an opportunity to take part in all the hearings about the proposed acquisition. You can receive copies of all materials distributed by the other parties. Protests and petitions to intervene must be filed in accordance with 52 Pa. Code (relating to public utilities) on or before September 7, 2021. Filings must be made with the Secretary of the Pennsylvania Public Utility Commission at P.O. Box 3265, Harrisburg, PA 17105-3265, with a copy served on Aqua's counsel at Thomas, Niesen & Thomas, LLC, Attn: Thomas T. Niesen, 212 Locust Street, Suite 302, Harrisburg, PA 17101.

The documents filed as part of this application are available for inspection and copying at the Office of the Secretary of the PUC between 8 a.m. and 4:30 p.m., Monday through Friday, on the PUC's website at www.puc.pa.gov and at Aqua's offices at 762 West Lancaster Avenue, Bryn Mawr, PA 19010. NOTICE OF PROPOSED ACQUISITION AND RATE BASE ADDITION
Docket No. A-2022-3034143

Dear Customer:

On December 9, 2022, the Pennsylvania Public Utility Commission (PUC) conditionally accepted for filing the application of Aqua Pennsylvania, Inc. (Aqua) for approval to acquire the Borough of Shenandoah / Municipal Authority of the Borough of Shenandoah (Shenandoah) water system assets. Shenandoah serves approximately 2,900 customers in Schuylkill County, Pennsylvania. Aqua's application also requests that the PUC authorize a purchase price and addition of \$12 million to Aqua's rate base pursuant to 66 Pa. C.S. § 1329. A utility's rate base is the value of property it uses to provide service to its customers and is one of several components used by the PUC to establish a utility's customer rates.

Aqua periodically makes applications to the PUC for newly acquired systems which requires Aqua to send these types of notices. This notice is specific to the Shenandoah acquisition.

This acquisition will not immediately, but may in the future, affect water bills of Aqua customers, including the new Shenandoah water customers. Aqua is not requesting a rate increase as part of the acquisition. Your rates will not change at the time we close this transaction and can only change with when approved by the PUC following an Aqua rate case that includes the Shenandoah system. Aqua estimates that the rates of the average customer could increase at that time, based on our preliminary analysis. The amount of the increase will be determined by the PUC in Aqua's next base rate case and will be dependent on how the PUC chooses to apportion the increase among Aqua's acquired and existing customers. The tables below present non-binding, estimated incremental rate effects of the proposed rate base addition on Aqua's existing water customers:

Aqua Water Customers

Rate Class	Average Usage	Estimated Monthly Increase	Estimated Percentage Increase
Residential	4,000 gal/month	\$0.08	0.10%
Commercial	33,380 gal/month	\$0.44	0.10%
Industrial	200,150 gal/month	\$2.14	0.10%
Public	33,380 gal/month	\$0.44	0.10%

The amounts stated above could change and will depend on how the PUC chooses to apportion any increase among the types of service, rate zones, and classes of customers as well as the actual amount of water used.

PUC ROLE

The state agency which approves acquisitions and rates for regulated public utilities is the PUC. The PUC will review and investigate the proposed acquisition and requested \$12 million in additional rate base. After examining the evidence, the PUC may approve, modify or deny the acquisition and may approve or modify the \$12 million addition to rate base. The PUC will issue a decision on the application on or around July 13, 2023.

ACTIONS YOU CAN TAKE

You can support or challenge Aqua's request by:

- 1) Sending a letter to the PUC. You can tell the PUC why you support or object to Aqua's acquisition of Shenandoah's water system in your letter. This information can be helpful when the PUC investigates the application. Send your letter to the Pennsylvania Public Utility Commission, Post Office Box 3265, Harrisburg, PA 17105-3265.
- 2) Attending or presenting testimony at a PUC Public Input Hearing. You can attend or be a witness at a PUC public input hearing. The PUC holds public input hearings if it opens an investigation into Aqua's transaction and there is enough interest in the case. Dear Customer:

On May 2, 2024, the Pennsylvania Public Utility Commission (PUC) conditionally accepted for filing the application of Aqua Pennsylvania Wastewater, Inc. (Aqua) for approval to acquire the Greenville Sanitary Authority (GSA) wastewater system assets. The GSA serves approximately 2,283 customers in Mercer County, Pennsylvania. Aqua's application also requests that the PUC authorize an addition of up to \$18 million to Aqua's rate base pursuant to 66 Pa. C.S. § 1329. A utility's rate base is the value of property used by the utility to provide service to its customers and is one of several components used to establish a utility's customer rates.

Aqua periodically makes applications to the PUC for newly acquired systems which requires Aqua to send these types of notices. This notice is specific to the GSA acquisition.

Aqua is not requesting a rate increase in this acquisition proceeding. This acquisition will not immediately, but may in the future, affect water and/or wastewater bills of Aqua customers, including the new GSA wastewater customers. Your rates will not change as a result of this transaction until the conclusion of an Aqua rate case where Aqua includes the GSA system and requests and receives PUC approval to increase its rates. Commercial/Public	33,380 gal/month	\$0.55	0.12%
Industrial	200,150 gal/month	\$2.64	0.12%

The amounts stated above could change and will depend on how the PUC chooses to apportion any increase among the types of service, rate zones, and classes of customers.

PUC ROLE

The state agency which approves acquisitions and rates for regulated public utilities is the PUC. The PUC will review and investigate the proposed acquisition and requested \$18 million in additional rate base. After examining the evidence, the PUC may approve, modify or deny the acquisition and may approve or modify the \$18 million addition to rate base. The PUC will issue a decision on the application on or around December 5, 2024.

ACTIONS YOU CAN TAKE

You can support or challenge Aqua's request by:

- 1) Sending a letter to the PUC. You can tell the PUC why you support or object to Aqua's acquisition of GSA's wastewater system in your letter. This information can be helpful when the PUC investigates the application. Send your letter to the Pennsylvania Public Utility Commission, Post Office Box 3265, Harrisburg, PA 17105-3265.
- 2) Attending or presenting testimony at a PUC Public Input Hearing. You can attend or be a witness at a PUC public input hearing. The PUC holds public input hearings if it opens an investigation into Aqua's transaction and there is enough interest in the case. At these hearings, you can present your views in person to the PUC judge and to company representatives. Testimony under oath becomes part of the application case record. The PUC holds these hearings in the service area of the company. For more information, call the PUC at 1.800.692.7380.
- 3) Filing a protest or a petition to intervene. If you want to be a party to the case, you must file a protest or a petition to intervene. You then have an opportunity to take part in all the hearings about the proposed acquisition. You can receive copies of all materials distributed by the other parties. Protests and petitions to intervene must be filed in accordance with 52 Pa. Code (relating to public utilities) on or before July 22, 2024. Filings must be made with the Secretary of the Pennsylvania Public Utility Commission at P.O. Box 3265, Harrisburg, PA 17105-3265, with a copy served on Aqua's counsel at Saul Ewing Arnstein & Lehr, LLP, Attn: Courtney L. Schultz, 1500 Market Street, Center Square West, 38th Floor, Philadelphia, PA 19102.

The documents filed as part of this application are available for inspection and copying at the Office of the Secretary of the PUC between 8 a.m. and 4:30 p.m., Monday through Friday, on the PUC's website at www.puc.pa.gov and at Aqua's offices at 762 West Lancaster Avenue, Bryn Mawr, PA 19010. The PUC docket number is A-2023-3041695.

NOTICE OF PROPOSED ACQUISITION AND RATE BASE ADDITION

Docket No. A-2022-3033138

Dear Customer:

On June 27, 2024, the Pennsylvania Public Utility Commission (PUC) conditionally accepted for filing the application of Aqua Pennsylvania Wastewater, Inc. (Aqua) for approval to acquire the City of Beaver Falls (Beaver Falls) wastewater system assets. Beaver Falls serves approximately 3,200 customers in Beaver County, Pennsylvania. Aqua's application also requests that the PUC authorize an addition of up to \$41.25 million to Aqua's rate base pursuant to 66 Pa. C.S. § 1329. A utility's rate base is the value of property used by the utility to provide service to its customers and is one of several components used to establish a utility's customer rates.

Aqua periodically makes applications to the PUC for newly acquired systems which requires Aqua to send these types of notices. This notice is specific to the Beaver Falls acquisition.

Aqua is not requesting a rate increase in this acquisition proceeding and it is not included in Aqua's current base rate case application pending before the PUC. Accordingly, this acquisition will not immediately, but may in the future, affect water and/or wastewater bills of Aqua customers, including the new Beaver Falls wastewater customers. Your rates will not change as a result of this transaction until the conclusion of an Aqua rate case where Aqua includes the Beaver Falls system and requests and receives PUC approval to increase its rates. At that time, based on a preliminary analysis of the potential rate impacts, Aqua estimates that the rates of the average customer could increase. The amount of the increase will be determined in Aqua's next base rate case and will be dependent on how the PUC chooses to apportion the increase among Aqua's acquired and existing customers. The tables below present non-binding, estimated incremental rate effects of the proposed rate base addition on Aqua's existing water and wastewater customers:

Aqua Wastewater Customers

Rate Class	Average Usage	Estimated Monthly Increase	Estimated Percentage Increase
Residential	4,000 gal/month	\$5.09	6.03%
Commercial/Public	8,330 gal/month	\$8.09	6.03%
Industrial	1,500 gal/month	\$2.76	6.03%

Aqua Water Customers

Rate Class	Average Usage	Estimated Monthly Increase	Estimated Percentage Increase
Residential	4,000 gal/month	\$0.58	0.75%
Commercial/Public	33,380 gal/month	\$3.30	0.75%
Industrial	200,150 gal/month	\$16.01	0.75%

The amounts stated above could change and will depend on how the PUC chooses to apportion any increase among the types of service, rate zones, and classes of customers.

NOTICE OF PROPOSED ACQUISITION AND RATE BASE ADDITION

Docket No. A-2024-3049015

Dear Customer:

On June 30, 2025, the Pennsylvania Public Utility Commission (PUC) conditionally accepted for filing the application of Aqua Pennsylvania, Inc. (Aqua) for approval to acquire the Municipal Authority of the Borough of Greenville (GWA) water system assets. The GWA serves approximately 2,731 customers in Mercer County, Pennsylvania. Aqua's application also requests that the PUC authorize an addition of up to \$18 million to Aqua's rate base pursuant to 66 Pa. C.S. § 1329. A utility's rate base is the value of property used by the utility to provide service to its customers and is one of several components used to establish a utility's customer rates.

Aqua is not requesting a rate increase in this acquisition proceeding. This acquisition will not immediately, but may in the future, affect water bills of Aqua customers, including the new GWA water customers. Your rates will not change at the closing of this transaction and not until the conclusion of an Aqua rate case where Aqua includes the GWA system in a request to increase rates which must be approved by the PUC. At that time, based on a preliminary analysis of the potential rate impacts, Aqua estimates that the rates of the average customer could increase.

The amount of the increase will be determined in Aqua's next base rate case that includes the GWA system and will be dependent on how the PUC chooses to apportion the increase among Aqua's acquired and existing customers. The tables below present non-binding, estimated incremental rate effects of the proposed transaction on Aqua's existing water customers:

Aqua Water Customers

Rate Class	Average Usage	Estimated Monthly Increase	Estimated Percentage Increase
Residential	3,870 gal/month	\$0.19	0.21%
Commercial/Public	37,130 gal/month	\$1.25	0.21%
Industrial	234,640 gal/month	\$6.30	0.21%

The amounts stated above could change and will depend on how the PUC chooses to apportion any increase among the types of service, rate zones, and classes of customers. Any promise or contract term regarding a rate freeze may be unenforceable.
